## CIRCULAR RELATED TO INITIATIVES OF GECDE FOR BAN OF PLASTIC IN CAMPUS

University Grants Commission (UGC) New Delhi has issued guidelines to ban the use of plastic in universities and educational institutions." Swachhata Hi Sewa" Campaign is being launched by the Government of India from September 11, 2019, to October 02, 2019, with an aim to eliminate the use of plastic and to dispose of plastic waste. The faculties & students at college have to address the plastic use issues Therefore, you are informed that we have decided to take plastic ban in the college campus. The items will include plastic bags, cups, plates, small bottles, straws, and certain types of sachets. Please say "No to plastic" to root out this practice and extend your hand to make our college a plastic free zone. Students drive to be given momentum to paste posters in college campus as part of environmental initiatives. Awareness programs are to be organized to propagate the ban on plastic in work place and college campus.

**CIRCULAR**

Green initiative of GECDL: To be followed on regular basis by all staffs, students and workers of Government Eklavya College Dondi Lohara.

All staffs, students, workers are hereby informed that, college has strict plan to observe 'No Vehicle' day on working Saturdays of every week from 5<sup>th</sup> June 2016 onwards as a mark to observe world environment day, and to contribute to save environment with aim to "SAVE FUEL, SAVE ENVIRONMENT".

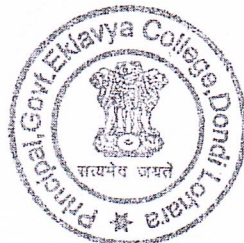

Now we all will follow dedicatedly the following dates of week for month of June.11.06.2016.18.06.2016,25.06.2016 (all Saturdays of this month) as 'No Vehicle' day and will continue practice as green initiative of GECDL.

Following are the guidelines to follow to observe 'No Vehicle Day' from 11.06.2016

1. All of us will come to college by using bicycle, battery operated bicycle or by public transport.
2. Employees who are using vehicles like cars, bikes, scooters, have to leave their vehicles in parking sides of town, making some arrangement, leave vehicle two kilometers away from college and come to college by walking.
3. We will serve for benefits of students, society, and environment.
4. Any deviation in the efforts, will be considered as in disciplinary act and will be recorded in register by monitoring Committee formed by Principal.

Let's prove together, our efforts to save fuel, in turn to save environment and exhibit togetherness to green initiative of our college.

All are requested to comply accordingly.
