Green campus initiatives

College is located in green belt of state with variety of plants and dense forest. The college is located near the vicinity of small Dondi Lohara town with flourishing flora and fauna. The campus is in pollution free zone surrounded by fields and dams. College has taken initiatives for green and clean campus and is also concerned about the environment. The initiatives are taken to motivate students about environmental issues. A drive for not to use plastic bags, to minimize its use in daily activities. We restrict our students and staff not to bring their vehicles in the college premises. To use bicycles in daily commutation is promoted.
