Policy Document on the Green Campus

'GECDL' as HEI refer to as Government Eklavya College Dondi lohara, District-Balod C.G. is an environmental conscious college. It protects its own environment with its green campus initiatives and maintains a pollution free **green and clean** campus. Environmental development, protection is its basic work with the educational policies implemented in the campus.

The Institution is committed to managing its Campus in accordance with responsibilities towards promoting Sustainable environment. These responsibilities can be demonstrated within following areas:

- Plantation of college premises with trees and plant through Regular plantation of saplings.
- Plantation of sapling of medicinal importance & pollution control trees.
- Display of message for environment protection, water Conservation and Saving trees.
- The Student and Faculties are encouraged to make the campus garbage and plastic free zone.
- Restricted Entry of Automobiles.
- Use of Bicycle in the campus.
- Establishment of Green Zone, Plastic-free Zone inside the College Campus.
- "No smoking, No Tobacco" in Campus area: Tobacco products are strictly prohibited in the college premises and Consuming Tobacco and tobacco products is a punishable offence.

Suggestions for Future Development of Green & Clean Campus

- To create awareness regarding environmental policy amongst the students and the management.
- To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
- To observe 'No Vehicle Day' and keep the campus vehicle free. It helps to save the fuel, avoids the environmental pollution.
- To protect and nurture the Flora and Fauna on the campus.
- Use of LED bulbs in college.
- Dustbins on the premises.
- Use of dust proof chalks.
- Eco-friendly management.
- Development of pollution free zone.
