“SAVE FUEL, SAVE ENVIRONMENT”

Green initiative of GECDL: To be followed on regular basis by all Stakeholders of Government Eklavya College Dondi Lohara, Dist.-Balod C.G.

All staffs, students, workers as stake holders of Institute have continuously made efforts and contribution to college green initiatives. College will continue to observe plan as ‘**NO VEHICLE DAY**’ on working Saturdays of all working weeks for this academic yeartime, 2021-2022 as an initiative to observe, and to contribute to save environment with aim to “**SAVE FUEL, SAVE ENVIRONMENT**”.

‘**No Vehicle Day**’ will continue to be part of practice as green initiative of GECDL.

Following are the guidelines to follow to observe ‘**No Vehicle Day**’ in academic session 2021-2022

- All employees and students will come to college by using bicycle, battery operated bicycle or by public transport.
- Employees who are using vehicles like cars, bikes, scooters, have to leave their vehicles in parking sides of town, making some arrangement, to leave vehicle two kilometers away from college and come to college by walking.
- We will continue to serve for benefits of students, society, and environment.
- Any deviation in the efforts, will be considered as noncompliance act and will be recorded in register by monitoring committee formed by Principal.

We want enthusiastic efforts to save fuel, in turn to save environment and reduce carbon footprints and exhibit cohesiveness to green initiatives of our college.

All are requested to comply accordingly and make it successful drive.
